

RTKL: The Facts

Who We Are

RTKL is a worldwide architecture, engineering, planning and creative services organization that employs nearly 900 professionals.

We were founded in 1946 as a two-man office in Annapolis, Maryland.

In 2007, RTKL became a wholly owned subsidiary of ARCADIS-US

What We Do

We're an idea-driven firm that provides innovative customized business solutions and seamless delivery to clients in commercial, cultural, and governmental realms.

We offer a comprehensive range of services, including:

Planning and Urban Design	Landscape Architecture
Interior Architecture and Design	Protective Planning
Environmental Graphic Design	Sustainable Design
MEP Engineering	Healthcare Technologies
Structural Engineering	Brand Building
Special Systems Design	Workplace Anthropology
Historic Preservation	

Where We Work

RTKL has worked in over 50 countries on four continents.

We have office locations in Baltimore, Chicago, Dallas, Dubai, London, Los Angeles, Madrid, Miami, Shanghai, and Washington, DC

How We Work

We collaborate. Our process is designed to encourage the cross-pollination of ideas and talents across sectors and geographies.

We believe in good design as a currency that improves people's lives. To get there, we focus on design solutions that deliver quality at all levels, in all places, from large-scale urban regeneration to the technology that defines how people live and work.
